

Oscillation Lab

Item	Criteria	Points Pos.	Points Earned
Spring Constant	Did you discuss how you determined k?	2	
	Did you include your excel graph with proper equation?	2	
	What was your k value?	1	
	Data table for Excel graph	1	
Average period	Did you include a data table with info for calc. average period?	1	
	What is the avg. period?	1	
Does mass affect period	Data table	1	
	Discussion of the influence of mass	2	
Does amplitude affect period	Data table	1	
	Discussion of the influence of amplitude	2	
Discussion #1	did you explain the phase relationship	2	
	did you include the graph	1	
Participation	Did you do the lab?	3	
	Total	20
